EMPOWER!, under the direction of Ron Hines of Glenwood and Mary Jardon of Red Oak, is a group of talented, dramatic, caring, very cool kids from throughout Southwest Iowa. It started with the idea that kids are often the best method to deliver a message of hope and prevention to their peers. Our performers are trained to be peer advocates having taken a pledge to speak out against destructive behavior in their own schools and communities.

EMPOWER!, is made possible through the collaborative efforts of Family Success Network, the Wilson Performing Arts Center and Boost 4 Families and Mills County Endowment.
